

# Printable Poster

Congratulations! You are now ready to print this poster!

Follow these simple steps:

1. Check the layout of pages in the poster, as shown on the right:

Art / Poster size is ANSI B (11" X 17").

Print on a single sheet of size ANSI B (11" X 17").

2. Go to File > Print. Then check the printer properties to make sure the target paper size is the same as that mentioned above.

3. Print all pages except this one, and assemble the pages to create your poster.

4. Enjoy!
